Dear Mr Cronin,

RE: Bellville Solar Project – Offer to Meet

Thank you for your letter dated 12th September 2025.

PCRE remain absolutely committed to engaging with your group as well as the wider community on the Bellville Solar Project.

To move forward in a collaborative spirit, can I reiterate my offer to meet with members of the AMASS committee. I would be happy to liaise directly with you to organise this meeting, and agree attendees and an agenda, to facilitate a constructive engagement and ensure all issues you wish to discuss can be covered.

As noted in my previous correspondence, we believe we can work with the local community to enable this project to deliver significant benefits including decarbonisation, strengthening the electricity grid, local homes benefitting from clean, secure and affordable electricity, community empowerment through a Community Benefit Fund, diversification for landowners and biodiversity net gain.

Yours Sincerely,

CC
